* Do rejstříku byla zahrnuta veškerá vlastní jména historických i fiktivních osob, bohů, mytických a literárních postav vyskytující se v předchozím textu, nebyla však excerpována jména obsažená v titulech literárních děl a sekundární odborné literatury. Anonymní díla figurují pod svým obecně užívaným originálním názvem (např. *Rhetorica ad Herennium*). Příjmení autorů sekundární odborné literatury, editorů a překladatelů, tištěná pro odlišení kapitálkami, byla v rámci možností doplněna křestními jmény. Jiří K. Kroupa
